Dear praying friends,

Warm greetings from the ChSA Poland! First and foremost, I would like to thank you for your continuous support towards our student ministry in Poland. Through prayers and givings, your partnership has been instrumental in the transformation of many young lives in our nation.

Stepping into September, we are now busy with a new training of ChSA staff and student leaders for the ministry work in the coming academic year. Regular small groups will resume as the fall semester begins. Talks, workshops, seminars, and evangelistic meetings will continue to be organized at appropriate times throughout the academic year.

One of our major projects for the coming academic year is the end-October ChSA National Conference held once every two years. We are currently in the midst of making preparations for this 4-day conference. The theme of this conference is “This is not enough to know”. The conference aims at helping university Christian students and young alumni believers to better understand their relationship with God, their culture and society, and how they can be God’s channel to reach and impact lives for Christ when they are back in the universities and workplaces.

For our ministry to be effective, we need churches and individuals like you who share and believe in the mission of ChSA to continue to support us in prayers. Please continue to uphold us in your prayers, especially on the following:

- 1) ChSA National Conference in October:
 - Students will understand the goal of the conference and be spiritually prepared to receive from the LORD.
 - It would be a time of great spiritual renewal and faith deepening among the participants. They will become passionate about sharing the gospel message with their peers and be zealous in living out their faith wherever they might be.
 - We are expecting 300 participants from all over Poland to attend the conference. The cost of running the conference is estimated at US\$10,000. Fees from the students will only meet about one-fifth of the total conference expenses. We would need to raise the remaining US\$8,000 during these two months to cover the cost of the conference. Please prayerfully consider if you would like to make an additional gift offering towards this event.
- 2) Wisdom and boldness for the Christian students/alumni to reach out to their non-Christian friends who are not interested in Christ.
- 3) For the staff and students involved in the ongoing ministry work among the 32 university groups throughout the nation.
- 4) Improvement in finances so that special ministry events can continue to be organized and that the operating expenses including the ten ChSA staff’s salary can be paid on time.

Once again, we thank you for your partnership in the student ministry in Poland. May the grace and peace of our LORD be with you.

In His Service,

Ewa Pieszka
ChSA National Director
